

Helping Early Literacy with Practice Strategies

Focus on Fluency and Build Confident Readers!

Learn to Implement HELPS with groups of 2-5 students

HELPS for Small Groups (HELPS-SG) is a research based instructional program shown to significantly improve reading fluency in 1st - 8th grade students

Participants in this training will

- Learn how to use HELPS Small Group with opportunities for practice and feedback
- Understand implementation considerations for HELPS-SG to be most effective
- Earn 10 hours worth of PD units through NC State University
- Get FREE access to all the HELPS-SG curriculum materials and digital tools needed to support implementation
- Receive individual follow-up coaching to ensure implementation integrity

**This is a 3 part training workshop:
2 Online Modules and 1 Virtual Coaching session**
(scheduled at your convenience)

**PARTS 1 & 2 OF THE ONLINE
TRAINING WILL BE:**

**NOVEMBER 4
AND
NOVEMBER 11**
